

International Conference „The VII-th Conference on Biological Therapies. Current Treatment of Melanoma and Non-Melanoma Skin Malignancies“

Date: 30 November 2012

Venue: La Meridien Villon Hotel, Vilnius

Organizer: Lithuanian Society for Medical Oncology

PROGRAMME

10:00 – 11:00 – Registration

First session: Non-melanoma Skin malignancies.

Chairpersons: Prof. A. Hauschild, Prof. S. Valiukeviciene

11:00 – 11:10 Welcome speech

11:10 – 11:30 „Epidemiology of skin malignancies“ – Dr. G. Smailyte, VU OI

11:30 – 11:50 „Diagnostic of non-melanoma skin cancer“ – PhD E. Buinauskaite, LSMU, Kaunas Clinics

11:50 – 12:15 „Skin melanoma histology: classification and prognostic markers“ – Dr. R. Meskauskas, VU SK VPC

12:15 – 13:00 „Targeting the Hedgehog as a therapeutic approach in BCC“ – Prof. A. Hauschild, University of Kiel, Germany

13:00 – 13:15 „PDT in dermatooncology: case report“ – Dr. G. Bieliauskiene, Centre of Dermatovenereology, VUL SK

13:15 – 13:35 Q&A

Lunch break 13:35 – 14:35

Second session: Early malignant Melanoma.

Chairpersons: Assoc. Prof. M. Bylaite, Prof. R. Rimdeika

14:35 – 15:00 „Early detection of melanoma“ – Assoc. Prof. M. Bylaite, VU SK

15:00 – 15:20 „Molecular diagnostic of malignant melanoma“ – Assoc. Prof. J. Kasnauskiene, VU SK, VPC

15:20 – 15:40 „Surgical treatment premelanoma and melanoma’s lesions. SLN biopsy“ – Prof. R. Rimdeika, LSMU Kaunas Clinics

15:40 – 16:00 „Advances in DC (dendritic cell) therapy on melanoma“ – Dr. M. Strioga, VU OI

16:00 – 16:15 – Q&A.

Coffee break 16:15 – 16:40

Third session: Metastatic malignant melanoma.

Chairpersons: Prof. M. Nyakas, Prof. A. Hauschild, Dr. A. Cesas

16:40 – 17:20 „Current treatment options in advanced and metastatic melanoma. Target therapy“ –

Prof. A. Hauschild, University of Kiel, Germany

17:20 – 18:00 „Immunotherapy of metastatic melanoma“ – Prof. M. Nyakas, Oslo University Hospital, Norway

18:00 – 18:40 „Dermatology and skin toxicity management due metastatic melanoma treatment“ –

Prof. C. Robert, Institute Gustave Roussy, France

18:40 – 18:55 – Case report „Long-term treatment of metastatic malignant melanoma“ – Dr. Alvydas Cesas

18:55 – 19:15 – Q&A. Closing remarks

19:20 - Dinner
